

# 20 / 20 SONG LIST

I'm looking for the 20 greatest songs of this century that will still be played 20 years from now. The only rule is that although I have tons of obscure songs on my iPod, the song you nominate can't be. By the way, one song per artist.

And of course, you have to love the song yourself. Here's what we have so far in I-Pod alphabetical order:

<b>IN DA CLUB...</b>	50 Cent
<b>TRY AGAIN...</b>	Aaliyah
