

PHILLY

R-Diddy

VS

NEW YORK

The Donald

*Each night on my 94WIP show, in alphabetical order, we will try to come up with (for example) the best Phillie whose last name begins with "A" going up against the best Met whose last name begins with the letter "A." Remember, all that counts is how that player performed with his Philly or NY team. What they did with other teams counts for NOTHING. Here's what we have so far. (BTW, what's it say when **WE** have R-Diddy representing us and The Donald repping NY?)*
